**HERE ARE THE GOOD
STRAWBERRIES
TO PLANT**

What varieties of strawberries are best? That depends upon the purposes for which they will be used, according to the department of horticulture, Ohio Experiment Station.

For best table quality William Belt, Bubach, Sample and Marshall varieties are ranked high.

Warfield, Senator Dunlap and Gandy are better fitted for canning. For nearby market Sample, Parnass Beauty, Senator Dunlap and Howard 17 (Premier) lead.

Warfield, Gandy and Arona stand shining to distant markets.

Fairfield, Haverland and Senator Dunlap are desirable for early eating. Gandy and Chesapeake are regarded as the best late varieties although the latter is often a poor cropper.

These varieties are recommended after years of testing many varieties for comparative yields, earliness and quality of fruit.

**ELIMINATION OF
GRADE CROSSINGS**

Elimination of as many grade crossings in Ohio as possible during the coming year is planned by the state highway department, where there are grade crossings in highway improvement plans work will be held up pending adjustment of the matter. L. C. Herrick spent several days last week in Washington conferring with authorities of the conference new plans for cutting down the numbers of these dangerous crossings are to be prepared at once so that there will be no further delay in the road improvement started.

Ohio Odd Fellows who will hold a great reunion celebrating the jubilee celebration in this city April 26, have sent a special invitation to President Harding to attend. The president will be in Ohio at that time to attend the Grand memorial celebration and the Chamber of Commerce as well as officers of the Odd Fellows from various cities in the state are urging the President to attend one day at least. If the step is made in Ohio it is indicated that the President will take a brief run to his old home in Marion as he has not been there since he left more than a year ago to assume his office.

There is a shortage of nurse students in Ohio that is causing real alarm among physicians and surgeons, according to Dr. Joseph Price, of Mercy Hospital, of Columbus. Dr. Price says that although the wages and opportunities offered young women to become nurses is not acting enough to the profession and that a shortage exists that may become acute within a few years. We must prepare these nurses through a few years of training, Dr. Price says, and unless we can get classes each year, it is evident that within a short time we will not have enough to serve suffering humanity. Nursing has become a real profession and while the ranks of applicants grow during the war, the shortage has been evident ever since, and concerns not only Columbus, but the entire state of Ohio. Dr. Price declared that at Mercy hospital he had room for at least a score of beginners, but there were few applicants.

Patients at the Ohio Sanatorium have no right to solicit food or ask charity, declares Oscar E. Thompson, fiscal supervisor in the department of public welfare. The statement was called by letters sent broadcast by patients of the Sanatorium for tubercular patients at Mt. Vernon. They asked for candy, nuts, fruits and "eat anything good to eat." "These patients are on a diet and even should articles of food be sent it would reach them for they must observe the diet of the physicians," says Mr. Thompson. He added that the state is providing everything needed for patients at Mt. Vernon and public requests for favors were not permitted by either the managing officer or welfare department.

Vapors vs. Bronchitis

Old-fashioned remedies are absorbed and inhaled by effective new method.

You get immediate action two ways by applying Vicks VapoRub to the chest for bronchial congestion. Rub Vicks well in and a warm glow follows. Not only are the ingredients absorbed, but their healing vapors, released by the body heat, are taken with each breath right into the inflamed passages.

Thus, externally and internally, you get the beneficial effect of Camphor, Menthol, Eucalyptus Thyme, Cedar Leaf and Pine.

Vicks is a truly remarkable remedy for congestions of nose, throat or chest. Its worth is well appreciated. Over 17 million jars are used yearly for all kinds of colds, for skin hurts and itchings, for neuralgia pains.

Once tried, Vicks becomes a standby in the family medicine cabinet.

Just rub it on and breathe in the vapors

**VICKS
VAPORUB**
Over 17 Million Jars Used Yearly**KNOWING THE BIBLE**

Far be it from us to start a discussion about reading the Bible in the public schools of this country. We know how tender a subject it is with some people. But we do want to say that there is certainly a demand that children learn the Bible stories by constant repetition. Not altogether for their moral worth, but for their educational value, for their teachings and for their wonderful merit in throwing the light on literature and even the sciences of the world. We believe that every person should know intimately every Old Testament story and every New Testament parable, and that without a godly supply of this knowledge a man can't claim to be well educated. Teach the children of the Bible the old Bible stories, and let them reflect on the morals each one points out. They may not need them at the present time, but there may come an hour in their business or social lives when recalling one of these wonderful old stories will be worth more to them than it is now possible to estimate.

WHY SUFFER SO

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Wauseon people recommend Doan's Kidney Pills. Ask your neighbor. Could you ask for stronger proof of merit?

Mrs. Byron Green, 510 E. Chestnut St., Wauseon, says: "It was two years ago that I suffered with backache. My back hurt and pained all the time. It was a great effort for me to try to do any housework. When I stooped to pick up anything that pain would catch me in my back and I could hardly straighten again and in the morning when I got up I always felt tired and didn't have much ambition to do anything. Once in a while I had dizzy spells so that I would have to take hold of a table or chair until I could get my balance. I learned of Doan's Kidney Pills and thought I would give them a trial. Doan's helped my back and put my kidneys in good condition again." (Statement given February 28, 1917.)

On September 22, 1921 Mrs. Green said: "I am glad to confirm all I have said in favor of Doan's Kidney Pills. If my kidneys get out of order now a short use of Doan's is sure to give me relief."

**FACTS ABOUT
OPTOMETRY**

In our articles on far-sight you will recall that we stated it was caused by a too-short eye. Near-sight, which will now be considered, is a contrasting condition produced by an opposite cause—a too-long eye.

A near-sighted person's distant vision is reduced, while his near vision is often better than normal. A person who is near-sighted to a small degree may not be aware of the defect.

The result of a correcting short-sightedness is to extend the distant field of vision. The extent to which this can be done depends upon the degree to which he is short-sighted.

No class of patients derive more satisfaction from their glasses than short-sighted persons. They are in many cases with the correction enabled to enjoy the beauties of nature for the first time and their enjoyment of life is in every case greatly increased.

WILL WEBER

Optometrist, Optician and Jeweler
205 N. Fulton St., Wauseon, Ohio**AUCTION SALE**

WALTER T. LEININGER
Lewis Ryan, Auctioneer
H. B. Richardson, Clerk

The man who fools you the worst is the one who can look you straight in the eye when he knows the purpose of your inspection—and there are many who can do it.

We admire the person who doesn't do things by halves. We'd rather set out a guidepost to glory for a real dead one than to attempt to guide a half dead one into the path of progress.

NOTICE OF APPOINTMENT

The estate of John C. Rorick, deceased.

Notice is hereby given that F. T. Sullivan has been duly appointed and qualified as administrator DBN WWA of the estate of John C. Rorick, deceased, late of Wauseon, Fulton County, Ohio.

Dated this 20th day of March, A. D. 1922

A. M. BARBER, Probate Judge
Fulton County, Ohio, Probate Court

HAD CLOSE SHAVE

"My wife and children thought I was dying when, after an attack of acute pains in my stomach, I became unconscious. It was right after our Sunday dinner. They say I looked like dead and guess I had a pretty close shave. I had been having more or less stomach trouble and bloating with gas for the past two years and would get no permanent help. Talking with a friend about my attack, he advised me to try Mayr's Wonderful Remedy. I have not had any gas or stomach trouble since taking it eighteen months ago." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded.

**Pure yeast
now concentrated
in small dose**

With the introduction of Yeast Foam Tablets you don't need to eat large quantities of baking yeast to secure its great health-corrective properties

If you are one of those who have been eating large quantities of baking yeast—and perhaps finding it troublesome to get and unpleasant to take—you will be happy to know that in this new yeast, dried and highly concentrated, you can get the same tonic effects, without any inconveniences and with several extraordinary advantages.

This yeast corrects
a wide-spread disease

Vitamin deficiency, that the leading medical men are all discussing, is a disease that thousands of people nowadays suffer from, but which has only recently been recognized.

Unlike other diseases, which come from germs or infections, vitamin deficiency comes from a lack in modern foods of the recently discovered element, vitamin.

Its symptoms are failing appetite; indigestion; loss of weight, strength and vigor; unhealthy skin; nervous troubles and other signs of a "run down" condition.

If you are suffering from any of these disorders, your

trouble may simply be vitamin deficiency, and in all such cases Yeast Foam Tablets are recommended because they are made entirely from pure, whole yeast—the richest source of the essential vitamin.

Yeast Foam Tablets
rebuild tissues

By supplying this vitamin, which many foods wholly lack, Yeast Foam Tablets stimulate the appetite, aid digestion, enable you to get strength and energy from the food you eat and thus rebuild the sick tissues and tone up the whole body.

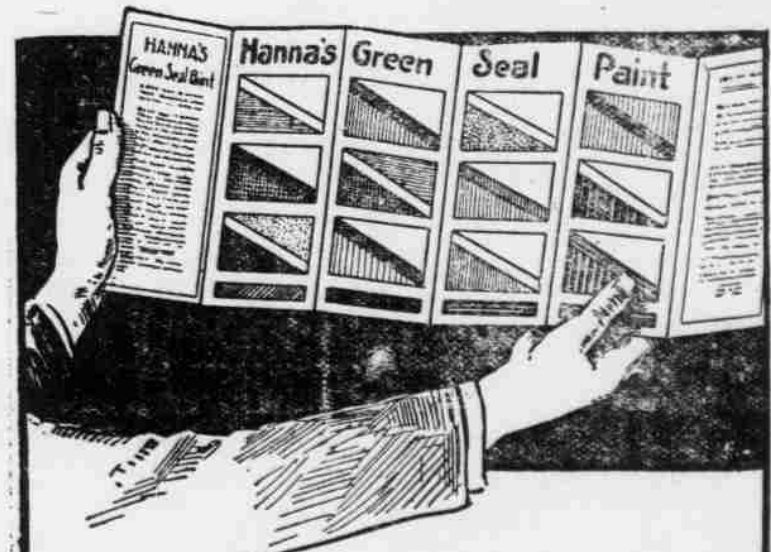

The purity and vitamin potency of Yeast Foam Tablets is guaranteed by the world's largest manufacturers of dry yeast—the makers for 45 years of the famous baking yeasts, Yeast Foam and Magic Yeast.

This guarantee is your protection, so be sure you ask for and get Yeast Foam Tablets. They are sold by all druggists.

Northwestern Yeast Co., Chicago
